The Johnson-O'Malley Program is authorized by the Johnson-O'Malley Act of 1934 and the implementing regulations are provided in Part 273 of Title 25 of the Code of Federal Regulations. As amended, this Act authorizes contracts for the education of eligible Indian students enrolled in public schools and previously private schools. This local program is operated under an educational plan, approved by the BIE, which contains educational objectives to address the needs of the eligible American Indian and Alaska Native students. The Johnson-O'Malley Supplemental Indian Education Program Modernization Act (JOM Modernization Act) became Public Law 115-404 on December 31, 2018.

JOM is not able to buy any type of clothing, letter jackets, shoes, class pictures, or class rings, technical equipment or devices for students. Before an application is processed, a Certificate of Degree of Indian Blood (CDIB) MUST BE PROVIDED.
